

**IMPORTANT!!**  
**ORDERING INFORMATION FOR F.O.R.C.E.**  
**DOCTORS/STAFF**

**Welcome to the F.O.R.C.E., International Online Program**

**If you are a doctor who has completed the Comprehensive Orthodontic Course, you now are ready to begin treating orthodontic cases in your dental practice. We would recommend you begin with the appliances you were taught to use in the course, the Litt Biodynamic Appliance system. We have kits available for you as you begin to practice orthodontics and also a complete supply list that will assist you in this process. You will receive a discount from Ormco Corporation when you order your orthodontic supplies.**

Please use the F.O.R.C.E. Inventory Form (**available in digital form upon request**) for reference when ordering. This form contains the orthodontic supplies currently referred to in the course and used in our private practice (with the correct part numbers). If you are interested in a complete kit which includes brackets, bands, wires, and all the peripheral products needed (**available in digital form upon request**), please request the kit information.

**PLEASE NOTE:**

**PLEASE EMAIL ORDERS TO: [suerdhms@aol.com](mailto:suerdhms@aol.com)**  
**PLEASE FAX/LEAVE A VOICEMAIL: 248-850-1433**

Please feel free to contact me if you have any questions or problems.  
Thanks!
